

Teaming to Make a Difference

Acknowledgements

We would like to acknowledge the following individuals and programs for their incredible contributions in the development of this DVD. The “Teaming To Make a Difference” DVD was produced by Joan E. Porter and Gary Christian Film and Video in collaboration, with the Hilton/Early Head Start Training Program in 2002. Many families and service providers across the country participated in the videotaping and interviews, while others offered us the help and hospitality that enabled the project to come together. Our sincere appreciation is extended to each of them and their families and colleagues behind the scenes:
